

COOKIES POLICY

This policy is to inform you about the use of cookies on www.ionautics.com and on how we process information about you when visiting our website.

WHAT ARE COOKIES?

Cookies are text files with small pieces of data, that are stored on your device (such as your computer, mobile phone or tablet) when you visit a website. Cookies may enable a website to save certain information to remember your actions and preferences over a period of time so that you do not have to re-enter the information when revisiting the website or browsing from one page to another.

There are two types of cookies, permanent cookies and session cookies.

- A permanent cookie remains on your device for a fixed period of time.
- A session cookie is temporarily stored on your device during the time you visit our website. Session cookies disappear when you close your browser.

COOKIES USED ON WWW.IONAUTICS.COM

Our website uses both permanent and session cookies that are necessary for the website to function properly, e.g. by allowing you to browse the website and to access certain functions and areas of the website. Certain services or functions such as submitting our contact form cannot be used without these cookies. Our website does not store any cookies for a longer period than one year.

Our website also uses cookies from Google Analytics to keep statistics of our website users to be able to improve the website. For more information about Google Analytics, please refer to Google's privacy policy at <http://www.google.se/intl/sv/policies/privacy/>.

Your browser settings allow you to configure which cookies may be saved on your device but note that some parts of our website may not function correctly if cookies are disabled. For further information on how to change these settings, visit your browser's support site.

PROCESSING OF PERSONAL DATA

Ionautics AB, reg. no. 556818-9566, having its registered address at Kabelgatan 9 B, 943 31, Öjebyn, Sweden, is responsible for the personal data processing as described above. This means that we are responsible for ensuring that the personal data is processed correctly and in accordance with applicable data protection laws.
